[Lil Whyte]

Go on and slip me two Xanax bars, I'm ready to get fool  
5th o' crown to wash it down, I'm downtown snappin'  
rolls

Ain't no shame up in my game, in fact I'm mentally  
deranged

Oxycontin in my system, man I'm feelin' kinda strange  
Watch me choke about this dope, blueberry from Texas  
You wanna get up in rotation that's too bad 'cause I'm  
stressin'

Right now it's 1:30 a.m., 11 Percocets just entered me  
15 min from this second I'll be crawlin' on my knees  
Laughin' at the crowd of all the clowns that be  
surroundin' me

Take another Lortab to calm me down and let me see  
Body be relaxed, muscles be loose and you have  
stopped the pain

No more bitchin' 'bout your day at work and drivin' in  
the rain

Put up with the fussin' and discussion I plant in yo brain  
Hypnotizin' minds like all the rest but I come through  
the vein

Take a chill pill and slow me down to get back in the  
game

Gotta be up on yo P's and Q's to even feel it mane

[Chorus X2]

Oxycontin, Xanax bars, Percocets, and Lortabs  
Valiums, Morhpine Patches, Ecstasy, and it's all up for  
grab

Whatcha want, whatcha need, hit me up I gotcha mane  
whatcha want, whatcha need, hit me up I gotcha mane

[Lord Infamous]

Scarecrow, Scarecrow what's that ya poppin'?

A powerful pill they call Oxycontin  
But it's so tiny, yeah it got you draggin'  
Haven't you heard big things come in small packages  
I prefer the orange ones with the black OC  
Take two and you cannot move from outcha seat  
Some people melt 'em down in a needle and shoot 'em

up  
But I pop 'em with Seroquel like glue, I am stuck

[Crunchy Blac]

See I'ma pill popper, so I'ma keep poppin' em  
Gimme 20 Xanax and I'ma start droppin' em  
They ain't no stoppin' him, when they in my system  
Mane I really miss 'em, can you help me get 'em  
I heard you have Clidina, on that fuckin' pill shed  
Gimme some fuckn Ec' - gimme some Percocets  
I need me some four bar, so I can break down  
'Cause a nigga like me 'finna take it to funky town

[Chorus X2]

Oxycontin, Xanax Bars, Percocets and Lortabs  
Valiums, Morphine Patches, Ecstasy and it's all up for  
grab  
Whatcha want, what'cha need, hit me up I gotcha mane  
Whatcha want, what'cha need, hit me up I gotcha mane
