I got papercuts
papercuts, papercuts, papercuts
gettin this (money)
spending this (money)
counting this (money)
gettin this
(repeated)

[Lil Wayne]

Young Money Weezy, B-gang bi-otch
Abstract artist, call me Basquiat
Bad Ass Carter, f-ck ya bitch harder
Wild n-gga, make her give me brains like Harvard
I don't play at all, ball like a small foward
Keep a buncha bitches like Ray J Norwood
Flow so sick, I hear the beat and get nauseous
Then I just kill it, turn this bitch into a carcass
Live in Miami, I aint never see a dolphin
You come to New Orleans, fuck around and see a
coffin
N-gga got power like a f-ckin' Mighty Morphin
Get money more than often, my loft in-
Atlanta, and I got a cabana
And I got a banana-clip up in the cannon
Big dog shittin' on all you cocker-spaniels
I just keep shootin' like I'm flippin' thru the channels
Tunechi

[Chorus]

[Fiend]

I'm a residue rapper, potato chip crack daddy
you cockroach rhyming
I spit that (?)
and while I'm after more like give me
fitted all red like I came down a chimney
and how I murder rappers I know God won't forgive me
(forgive me)
flow automatic not semi
and you getting by with yours like 1 kidney
I gets busy, voice like (?)
counting money in the tele like (?)
I'ma need a meaner and I do it double

send it up to Lucas, start it on the hustle
yeah I hustle (?)
I got a few dollars even bailed out the ride
(?)

[Chorus]

[Mystikal]

[End]

I know, I know. This isn't exactly complete. I started the Fiend verse then realised I don't even understand him or Mystikal so feel free to drop there verse's in comments and I will update.

But I know you only came to this page to read the Weezy lyrics so don't complain! lol.
