Mula Baaaaby

(Verse 1)

She was a young girl in pursuit of gore and fame  
She would do anything she could to feel the flame

When everybody knew your move and the things you  
play

She finally made all her dreams come true and then  
she screamed

(ahhh)

OH NO this ain't paradise

OH NO this ain't paradise

OH NO this ain't paradise (yeeaahh)

OH NO this ain't paradise

OH NO this ain't paradise

To know this ain't paradise

(Verse 2)

He was a young boy in pursuit the money and fame  
And he would do anything he could to kill the pain

(ahhh)

When everybody knew your moves, they speak of your  
name

And oh all over the late night local news I heard him  
scream

OH NO this ain't paradise

OH NO this ain't paradise

OH NO this ain't paradise (yeee)

OH NO this ain't paradise

OH NO this ain't paradise

OH NO this ain't paradise

(woah)

(Verse 3)

I said the sun don't shine forever (oh oh oh oh oh)

And everything that bitter it goes (oh oh oh oh oh)

(ahhh)

I said love don't love forever (oh oh oh oh oh)

And everything that's new gets old (raaaaa)

Sometimes we try to find the road to the riches  
Need road side assistance  
Blisters on my knees from begging for forgiveness  
This ain't no dollars on my trees  
but knowledge on my feet cuz I been climbing to the  
peek  
and running from the bullshit

I'm tired of playing the same song who told the DJ bring  
it back?  
Dead presidents bullet in Abraham Lincoln hat  
Staring at big poster I swear that he be winking back  
Cut school, sell crack  
Sorry I'm just thinking back  
C-Call me crazy I been called worse  
It's like I have it all but what's it all worth (haha)  
I'm probably better in my afterlife  
I should cherish life but this ain't paradise

(Chorus)  
OH NO this ain't paradise  
OH NO this ain't paradise  
OH NO this ain't paradise (Oh Oh Oh Oh Oh)  
This ain't paradise  
NO this ain't paradise  
This ain't paradise
