Verse 1:

She was a young girl in pursuit of glory and fame.
She would do anything she could to feel the flame,
When everybody knew your mood and the games
you've played.
She finally made all her dreams come true and then
she screamed

Chorus

Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.
Yea...
Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.

Verse 2

He was a young boy in pursuit of money and fame,
And he would do anything he could to kill the pain.
When everybody knew your mood, they speaking your
name,
All over the late night local news I hear them scream

Chorus

Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.
Oh no, this ain't paradise.

Oh, I say the sun don't shine forever.
Oh, Oh, Oh, Oh, Ohhh
And everything that glitter ain't gold.
I say love don't love forever.
Oh, Oh, Oh, Oh, Ohhh
When everything that's new gets old.

Sometimes we try to find a road to the riches;
We need roadside assistance.
Blisters on my knees from begging for forgiveness.

Ain't no dollars on my trees, but mileage on my feet,
'Cause I been climbing to the peak and running from
the bullshit.
I'm tired of hearing the same songs, who told the DJ
bring it back.
Dead presidents bullet in Abraham Lincoln hat.
Staring at big poster I swear that he be winking back.
Cut school; sell crack. Sorry I'm just thinking back.
CaCall me crazy, I've been called worse.
It's like I have it all, but what's it all worth?
I'm probably better in my afterlife.
I should cherish life, but this ain't paradise.

Chorus

Oh no, this ain't paradise
Oh no, this ain't paradise
Oh no, this ain't paradise
Oh, Oh, Ohh
This ain't paradise
No, this ain't paradise
