(feat. Dre)

[Intro: Dre]

This is, this is, this is, this is

We are not the same I am a martian

We are not the same I am a martian

[Female voice talking]

Greetings from planet Weezy, we will begin
transmission in

5, 4, 3, 2, 1

[Chorus: Dre & Lil Wayne]

PHONE HOME, WEEZY

PHONE HOME, WEEZY

PHONE HOME, WEEZY

PHONE HOME, WEEZY

And if you feel like the best, go 'head and do the
Weezy we and

PHONE HOME, WEEZY

PHONE HOME, WEEZY

[Lil Wayne]

We are not the same I am a martian

And I'm hotter than summer rain like Carl Thomas

Lock, load, ready to aim at any target

I could get your brains for a bargain

Like I bought it from target

Hip hop is my supermarket

Shopping cart full of fake hip hop artists

I'm starving, sorry I gotta eat all it

And I'll be back in the morning

[Chorus]

[Lil Wayne]

We are not the same I am a alien

Like Gonzales, young college student who done

Just flipped the game like Houston, I'm used to

Promethazine in two cups I'm screwed up

And you ain't shit if you ain't never been screwed up

Flow so sick make you wanna throw your food up
Ice water chest, and my wrist like a cool cup
Two twin clippers, I give your ass a crew cut
I get bread like cold cuts, you know what?
Your girl go down fast, come up slow, but I never slow
up
Weezy!

[Chorus]

[Lil Wayne]

They don't make'em like me no more.
Matter fact, they never made it like me before
I'm rare like Mr. Clean with hair
No break lights on my career
I never hade life, and I never had fear
I rap like I done died and gone to heaven I swear
And yeah I'm a bear like black and white hair
So I'm polar
And they can't get on my system 'cause my system is
the solar
I am so far from the obars, I mean others
I could eat them for supper, get in my spaceship and
hover, hover

[Chorus]
