Verse 3:

Straight off the corner of Apple and Eagle

BraveHeart bitch like the times are medieval

Married to the game, Divorce the Cathedral

Standin on the corner selling Porcelain to People

Forced into evil, Its all in your head

It's all so cerebral, call me kenivel

You follow when i lead you

Straight to the needle

The bottles, the battles, the beetles will eat you

Mama named Cita, I love You Cita

Member when your pussy Second husband tried to beat ya

Remember when i went into the kitchen got the cleaver

He aint give a fuck i aint give a fuck neither

He could see the devil, see the devil in my features

You could smell the ether

You can see Cita

You can see the Cita, see the Cita in my features

and she dont play neither

BUT YOU CANT BLAME ME IF I SET THIS STAGE ON FIRE
