[Lil Wayne]

Um, She said said she can f-ck me right  
I made her f-ck her friend,  
She say don't call her a dike, well thats gay,  
Haha, I met her on Monday and f-cked her all week  
Cause every time she leave she come back to the tree  
She know I love brain so I treat her like a geek  
She love the way I spit so I made da p-ssy gleet  
Wildin wit my n-ggas and I don't give a f-ck  
So I circle the b-tches, we rounding them up  
I treat her like I need her, Im knowing if I eat her  
She gon tell Quieta and Quieta like the media,  
Wooty woo to the bloods, her lipstick match my flag  
that swag  
Weezy F Baby got lust that drag,  
I put em in your mouth till you choke and gag,

I Poke Her Face off and now she faceless, I poke her so  
much I deserve a bracelet  
Young Money!

I poke her face off and now she faceless and I just  
make poker faces facelift.

[Jae Millz]

Chi Town girl,  
bag match her heels,  
ass hella fake,  
but it feel real,  
and it felt great when we had sex,  
i tow her out the frame,  
pics of my ex,  
from my aspect I love your assets,  
I love your mini skirt,  
azizzi access,  
pipe game, never mediocre,  
so that relationship is over once I poke her,  
she said she wanted a tour of the two of us,  
so I gave her a tour of the tour bus,  
it was all lust on the tour bus,  
cos she did all us on the tour bus like,  
hahaha,
