I wouldn't care if you were a prostitute
And that you hit every man that you ever knew
See it wouldn't make a diffrence cause that was way
before me and you, girl
See you don't ever have to worry about me as long as
you keep it real
Whatevers on your mind, speak on how you feel
Stay truthful to me and never lie to me
And don't ever keep no secrets
Don't matter whateva
Girl you know what I mean yeah
Well if you don't then I'll explain
You can be my Mrs.Wayne
We can do the damn thang
You see I had to tell my nigga ??? I met a girl like you
