[Lil' Wayne Talking]

Young roll out baby (Yeah)  
(Young money, alright, yeah)  
Young roll out baby (Young money)  
(Alright, alright, alright)

[Hook]

I wouldn't care if you were a prostitute  
And that you hit every man that you ever knew  
See it wouldn't make a difference if that was way  
before me and you girl  
See you don't ever have to worry about me as long as  
you keep it real  
Whatever is on your mind speak on how you feel  
Stay true to me and never lie to me  
And don't ever keep no secrets no matter whatever  
Girl you know what I mean (yeah)

[Verse 1]

Well if you don't then I'll explain  
You can be my Mrs. Wayne  
We can do the damn thing  
You see I had to tell my nigga Lil' Boy I met a girl like  
you  
Cause I ain't never met another girl like you  
But I know what to do wit a girl like you  
Three letters I do

[Hook]

I wouldn't care if you were a prostitute  
And that you hit every man that you ever knew  
See it wouldn't make a difference if that was way  
before me and you girl  
See you don't ever have to worry about me as long as  
you keep it real  
Whatever is on your mind speak on how you feel  
Stay true to me and never lie to me  
And don't ever keep no secrets no matter whatever

I'll give up the game  
At the top of the arena there's my jersey wit my name  
What's happening baby, what's happening baby  
You know you need to roll wit a champion baby  
Any time I see ya I get asthma baby

[Hook]

I wouldn't care if you were a prostitute  
And that you hit every man that you ever knew
