Weed and syrup is the combination  
And the inspiration  
As for you pussy niggas  
I just realize you can f\*\*k with me and you never will  
Bitch ass niggas, weezy f. baby believe dat, haha, yeah

I got them 24 inches sittin on the joe buddens  
In the trunk straight jumpin  
Bitch I can't hear nuthin  
And I might do the spurs sittin on them tim duncan  
And in the Lamborgini I do donuts like dunkin  
Canary bad bitch with a pussy wanna f\*\*k em'  
But I just feed em' girls and watch em' f\*\*k each other  
My neck was 100 and my wrist was another  
And make her pussy wet I leave that bitch with a puddle  
On my beats I'm a dog I should rap wit a muzzle  
Peyton manning flow I just go no huddle  
Baby girl gettin straight dick no cuddle  
You know I'm out this world  
I just brought a space shuttle  
I'ma put some d's on that bitch  
And these hoes starting to get like fleas on my shit  
Have you seen her? who? nina she's on my hip  
Yellow white diamonds call em' cheese on my grits  
You niggas ain't ballin real talk you niggas can't guard  
me  
Two niggas can't gurad me you lookin at jordan  
From the side like spike at the garden  
I got the hardest bars just call me the wardin haha  
Yeah excuse me pardon I break a bitch down like tonya  
harden  
Bitch I'm cole not dude off martin  
Pockets just fat like the clumps and norbit  
Bitch I'm fly like the magic carpet  
And bitch I'm fresh like a pack of orbitz  
See I'ma take it back to new orleans  
And bitch I'ma shine in the land of darkness  
And which I'ma grind till my stacks is as tall as a wall is  
And I'm high don't wanna know how deep the fall is

No I can't come down

And everytime I send my girl out of town I put some d's  
on that bitch  
Im a certified gansta haters make me nauseous  
And the money makes me anxious  
Listen how my words are poet like langston  
Dreads down my back like I come straight from  
kingston  
But I come from hollygrove 17 danger zone  
So many c notes I can sing a song  
T-top coupe lookin like a thong  
Gurl on my dick she treats it like a bone  
I don't wanna be right if gettin high is wrong  
My eyes so low it look like I come from hong kong  
Boy I got more green than a bitch with don juan haha  
Ok I'm not a rookie I'ma pro  
Methasene fiend, make the homies say ho!  
And make all the girlies scream  
I am a vegetarian and I only eat beats  
Wear alot of carrots and I smoke the best greens  
No beef in my grocery bag just some swishes  
And a whole bunch of cans of whoop ass haha  
I'm strapped like a bookbag  
So anyone of ya'll can come and get a foot tag  
D.o.a ride all night sleep no way  
Sleep when I lay six feet deep and until that day  
I'ma be living like it is that day  
Yeah, I keep holding on, I say bitch I been hot  
Bitch the stove been on  
If you don't like it I roll over and roll alone  
F\*\*k you and the horse you rode in on  
Yeah so cool shorts and my kobe's is on  
Lookin slicker than the lane that you bowling on  
If they didn't tell you I'm the shit  
Then they told you wrong  
Bitch I'm bubbling like soda foam  
In the styrofoam cup  
You whats in my styrofoam what  
S-y-r up thats my car yup  
Vrooommmmm!! urghhhh!! I'm gone
