[Chorus - Young Jeezy] X2

You think you're balling because you got a block?
He think he balling because he got a block?
You know these hoes came to see me ball
You know these hoes love to see me ball

[Lil Wayne]

These hoes call me Tunechi baby
Niggas think they seeing me, they hallucinating
Bitch, I'm balling, balling like a motherfucker
Twelve gauge, bitch I got a dozen of them
Nigga broke, acting like he got it though
I'm with a Spanish bitch, if she ain't fucking, adios!
So many cars I'm like eenie meenie minie moe

So many colors in the diamonds, kaleidoscope
Last year I made a hundred million dollars flat
Run in your house, and get to popping at your shower
cap
My homies got them firebirds like Pontiac
And if them bitches don't sell, we'll buy them back
Where the strippers? Tell them Tune on his way
Tell them niggas, I'm strapped like lingerie
I ain't tripping, I'm balling, call me NBA
I-I ain't tripping, I'm balling, call me NBA

[Chorus] X1

[Lil Wayne]

You think you're balling because you got a block?
He think he balling because he got a block
