(Lil Wayne Talking)

I never felt better, Never have, Never will, (Holla)
I mean all I see is money, I got a C-Note between my
eyes, (Its Real)
Please feel me, Squad Up nigga, (For Real)
I'ma dig deep folk, Dig deep dogg, (Its Real)
Now listen, Now what you is?

(Verse 1)

I am what you call a survivor, like trouble with drama
But I recover with power, and love it with honor
Discovered as a son of a problem
Remember smugglin powder throught the doors of my
high school
To force up they nostril, 'til it got full
But now they pop for a pill
Lil one here's what's up, Drugs could kill
But drugs could heal
If ya, ahh, ill for that good feel
And it feels good when them fields pull
We wheels quarters through the real raw parts of the
streets
My hearts in the streets, So watch what ya step
When ya run from the gunfire of Glocks and Tech's
Specials and Pumps, Vests is for chumps
Eat ya chests for lunch, munch
Young country dude, hunt ya down with tools
Repsect my presence, I step with weapons
You fall in seconds
Its all in the code of the streets, we go by it and stop
from it
Real nigga talk, No frontin
Heh

(Chorus)

Do you understand the words that are comin out of my
mouth?
If ya dont its because I'm speakin real nigga
Real nigga, This here is real nigga talk
Real nigga talk dogg, I hope you feel me
Let me talk to you dogg, You gotta feel me

I hope you feel me, You gotta feel me
Listen

(Verse 2)

Chrome's hidden inside of my tires
You should see the size of my tires
Ridin' on Mark McGwires, I spark the fire
Got me higher than a late flight

From L.A. to New York twice in the same night
Got some shit in my bag to m
