[Dre - Chorus]

Staring at the mirror looking down into its eyes,
I can see why n-ggas hate ya, I can see why they
despise,
dont worry, dont worry,
dont worry, no worries,
real as they come,
oooo
(x2)

[Lil Wayne]

mind right, money right
â€¦
im alright f-ckin right,
f-ckin right I do it for the money
and if I don't do nothing Imma ball,
i said if I don't do nothing Imma f-ck you want,
if you f-cking with me, who f-cking with me,
f-ck with me and where will I be,
without my heat, yeah out on da street,
and thats apple and eagle b-tch,
haha, and how can I see,
when my E-Y-E's are C-L-O-S-E
R I-C-U-N-I-T(?) DR CARTER
R, R, RIP,
yeah, and its MOB til I D-I-E flow DOA's since my DOB,
Mr DRE talk to em,

[Chorus]

[Tity Boi]

woke up this morning, feeling all horny,
picked up my pistol, f-cked my opponent,
the roof on this missing(?) the feet are enormous,
they on the same sh-t we switched up the toilets,
I looked in the mirror and I said what's happening?
the mirror said "you are" you conceited bastard!
well thats true the coupe look like it came with the
wheels,
because it got a paper tax still and the passengers peel
away

from being DOA down on her ass freak for the chips,
Frito-Lay,
and the waiter shorty move fore it gets away,
when the players hit the club n-gga leave some way,
cos we as real as they soldiers in the field cos we
fighting for something
we don't know what it is,
I'm trying to get higher than last months bills,

cos this months here, this ones clear,
this ones brown, this ones beer,
man we got it looking like a bar in the â€¦,
the flow is contagious and deadly like rabies
had your girl in the suite swallowing babies,
but that is irrelevant it was all a pre-requisite,
n-gga Im ill, n-gga I need medicine,
like a century cos it's this big,
bought my dishwasher and bought a new crib,

[Chorus]
