It may not mean nothing to ya'll  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit Forever man, ever man, ever man  
I'm shutting shit down at the mall  
And telling every girl she the one for me  
And I ain't even planning to call  
I want this shit Forever man, ever man, ever man

Last name ever, first name greatest  
Like a sprained ankle boy I ain't nothing to play with  
It started off local but thanks to all the haters  
I know G4 pilots on a first name basis  
And your city faded off to brown, nino  
She insists she got more class, we know  
Swimming in the money come and find me, nemo  
If I was at the club you know I ball (Bald), chemo  
Drop the mixtape that shit sounded like an album  
Who'd have thought a country wide tour would be the  
outcome  
Labels want my name beside the X like malcom  
Everybody got a deal, I did it without one  
Yeah, nigga I'm about my business  
Killing all these rappers you would swear I had a hit list  
Everyone who doubted me is asking for forgiveness  
If you ain't been a part of it at least you got to witness

It may not mean nothing to ya'll  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit Forever man, ever man, ever man  
I'm shutting shit down at the mall  
And telling every girl she the one for me  
And I ain't even planning to call  
I want this shit Forever man, ever man, ever man

Hey, ever ever Mr. West is in the building  
Ain't no question who about to kill 'em  
I used to have hood dreams, big fame, big chains  
I stuck my dick inside this life until that bitch came  
I went hard all fall like the ball teams  
Just so I can make it rain all spring

Ya'll seen my story my glory  
I had raped the game young you can call it statutory  
When a nigga blow up they gon' build statues for me  
Old money benjamin button, what nothin'  
Now superbad chicks giving me MacLovin'  
You would think I ran the world like Michelles husband  
You would think these niggas know me when they really  
doesn't  
Like they was down with the old me no you fucking  
wasn't  
You're such a fucking loser  
He didn't even go to class mueller  
Trade the Grammy plaques just to have my granny  
back  
Remember she had that bad hip like a fanny pack  
Chasing the stardom would turn you to a maniac  
All the way in hollywood and I can't even act  
They pull their cameras out and god damn they snap  
I used to want this thing Forever ya'll can have it back

It may not mean nothing to ya'll  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit Forever man, ever man, ever man  
I'm shutting shit down at the mall  
And telling every girl she the one for me  
And I ain't even planning to call  
I want this shit Forever man, ever man, ever man

Okay, hello it's the martian, space jam jordans  
I want this shit Forever, wake up and smell the Garden  
Fresher than the harvest, step up to the target  
If I had one guess than I guess I'm just New Orleans  
And I will never stop like I'm running from the cops  
Hopped up in my car and told my chauffeur to the top  
Life is such a fucking roller coaster then it drops  
But what should I scream for this is my theme park  
My mind shine even when my thoughts seem dark  
Pistol on my side you don't wanna hear that thing talk  
Let the king talk check the price and pay attention  
Lil Wayne that's what they got to say or mention  
I'm like Nevada in the middle of the summer  
I'm resting in the lead I need a pillow and a cover  
Shhhh, my foots sleeping on the gas  
No brake pads no such thing as last

It may not mean nothing to ya'll  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit Forever man, ever man, ever man  
I'm shutting shit down at the mall

And telling every girl she the one for me  
And I ain't even planning to call  
I want this shit Forever man, ever man, ever man

There they go, back in stadiums as shady spits his flow  
Nuts they go, macademia they go so ballistic whoa  
He can make them look like posers, he's wondering if  
he should spit this slow  
Fuck no go for broke, his cup just runneth over, oh no  
He ain't had of a buzz like this since the last time that  
he overdosed  
They've been waiting patiently for pinochio to poke his  
nose  
Back into the game and they know rap will never be the  
same as before  
Bashing in the brains of these hoes and establishing a  
name as he goes  
The passion of the flame is ignited, you can't put it out  
once we light it  
This shit is exactly what the fuck that I'm talking about  
when we riot  
You dealin' with a few true villians, whose stayin' inside  
of the booth truth spillin'  
And spit true feelings, until our tooth fillings come  
flying up out of our mouths now rewind it  
Payback motherfucker for the way that you doubted me  
hows it taste  
When I slap the taste out of your mouth with the bass  
so loud that it shakes the place  
I'm Hannibal Lecters so just incase your thinking of  
saving face  
You ain't gonna have no face to save by the time I'm  
through with this place so Drake

It may not mean nothing to ya'll  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit Forever man, ever man, ever man  
I'm shutting shit down at the mall  
And telling every girl she the one for me  
And I ain't even planning to call  
I want this shit Forever man, ever man, ever man
