ahahahahahahah

lil Wayne:(come on)  
i know dis girl  
an dis girl is bad  
but dat mean an good she so p-h-a-t phat  
aye she put up her road block an all traffics jam back  
ima pull up to ha bumper an just hit her from the back

Shanell:  
hold on patna slow down homie grabin on me like u no  
me all in my ear talkin blah blah  
thinkin u gone get this nana no im lookin extra extra  
round round stallion  
you keep tryna wanta test dis round round stallion

Hook:  
no matter how u spit ya game game an just how much  
u make it rain rain  
im gone keep goin keep on playin hard to get an you no  
it listen to what im tryna say ah  
back up an pump ya breaks i bairly even no ya name  
want to taste me sugar cane  
want to taste me sugar cane im bout to road block ya  
road block im got to road block ya road block ya

i no you want to see my loli pop pop see my lovin drop  
drop boy u betta stop stop stop stop  
if you come right you can get dis round round stallion  
show me what you would do with dis round round  
stallion

Hook:  
no matter how u spit ya game game an just how much  
u make it rain rain  
im gone keep goin keep on playin hard to get an you no  
it listen to what im tryna say ah  
back up an pump ya breaks i bairly even no ya name  
want to taste me sugar cane  
want to taste me sugar cane im bout to road block ya

road block im got to road block ya road block ya

Mack Maine:

i no dis girl she's  
she's cute in da face she's  
she's slim in da waist  
she's thinkin of all the right things  
since im feelin ha vibe if lovin her's wrong i dont want  
to be right  
call a preacher man i think i found my wife  
but hold up what da hell is this in my side

Lil Wayne:

dat road block  
she put up dat road block  
i aint even stuntin dat road block  
cuz ima get through dat road block  
an we gone fuck like robots  
an we gone fuck like robots  
yeah we fuck like robots  
we gone fuck like robots

Lil Wayne:(T-Streets)!!

T-Streets:

yeah so i no dis girl home boy trippin cuz i no his girl i  
met her in da mall with a few other girls  
an she said she liked to do other girls i said let me get  
ya info bebe  
we can be tighter than kin foke bebe drive my car  
straight through dat road block  
an me an dat girl gone fuck like robots

Mack Maine:

goin through my black book an i ran across a name  
of a freak who say she's not a freak but at least dats  
what she claim  
an she said if we do do it things will never be da same  
an i said dat if we dont do it things will never be the  
same

Lil Wayne:

flippin through my phone an i just ran across ya  
number  
an i call u an i wonder theres a freak under an inside of  
u  
if u do tell her i want her ill do anything to involve her  
soon as i get inside the road block placed in front her  
dat road block  
she put up dat road block  
i aint even stuntin dat road block  
cuz ima get through dat road block

we gone fuck like robots  
an we gone fuck like robots  
yeah we fuck like robots  
we gone fuck like robots

hey miss traffic patrol  
please dont come an block up my road  
let me go as far as i go  
let me go as far as i go

hey miss traffic patrol  
please dont come an block up my road  
let me go as far as i go  
let me go as far as i go

hey miss traffic patrol  
please dont come an block up my road  
let me go as far as i go  
let me go as far as i go

dat road block  
she put up dat road block  
i aint even stuntin dat road block  
cuz ima get through dat road block  
we gone fuck like robots  
an we gone fuck like robots  
yeah we fuck like robots  
we gone fuck like robots

baby back up an pump ya breaks cuz i bairly even no ya  
name want to taste me sugar cane  
want to taste me sugar cane im bout to road block ya  
road block im got to road block ya road block ya  
got to road block ya  
got to road block ya
