wayne verse :

weezy f baby yea i thank the lord in every day and i will
have three blunts in superiaa and my grill look an iced
out barricade and i got more green than the ever
glades im the shit i am funky like i never bathe baby im
trina do numbers like a yellow page when i was 14 i
told my mama we will better day and show enough i
got miss cita in a better place i fucks marley and cipito
from the east side on the east side we are blood we are
family never dive through the niza in my levia now dont
forget my design i am big dog big dog barkin at u
felionsyea u niggas is simple wats a bentley to a nissan
i can fuck around by the store but go head get yo lease
sign yea go head add another finger to the peace thats
a W in the B sign BITCH. yea u under stands me mack
they gone respect me cause im a rider im just another
muthafuckin south siderim on that surrp so i act a lil
tired and every body slippin baby im a rider x2
