I ate your face off
You n-ggas sweet as pie like this is a bake off
I love Nicki's curves, swing at the baseball
Errrrrrr!
I beat your brakes off
H-H-Hi, I'm Tune', salt in the wound
I'm up in this bitch, pardon the goons
Throw dirt on the floor and get caught in the broom
I like a big wet p-ssy with a fork and a spoon
I got money and the power
a woman in the shower
And she don't want nothin' but my johnson, Howard

Sour D's and a swisher sweet, sweet and sour
You scared? Go to church, say your prayers, read a Bible
Huh, I don't know what y'all on
Please, I go in like goin'
Drink drink in my hand with the world in the other
The uzi go brrrrrrr, stutter
Ha, life is a puzzle, jigsaw
All I do is win, my name should be Victor
Old-ass rappers, I'm still the shit, old-ass Pampers
Rah, rah, like a dungeon dragon
Foie gras, I hear you ducks is quackin'
I'm just pluckin' my ashes, I'ma puff it and pass it
I'm a f-ckin' assassin, you should jump in a casket
