No Celiing, Yeah, Heheehaa  
Ima run this town tonight alright now  
Nigga we are. So ready for the war.  
C-A-R-T-E-R put the beat in ER.  
I'm colder than B-R  
Add another 3 R's  
Watch me like D-V-D-V-C-R  
Pump to your chest I aint talking CPR  
riding this track like a  
muthaf-cking street car.  
New Orleans Coroner.  
His name is Frank Minyare.  
fuck with me wrong. you'll  
be waking up in his yard.  
man I go crazy on this beat i go nimrod  
man I act a ass.  
treat the beat like a  
hemorrhoid  
man I go to work on the beat.  
call it employ.  
man I kicks it.  
bitch get your shin guard.  
Uh. Young money run this towns.  
countries.  
I still eat rappers. hmm. scrumptious.  
my goons tote thumpers.  
they pump em like crumpers.  
anybody beat.  
im gon go archie bonkers  
tunchie beat a wallis.  
lets run the metropolis.  
I pop like lollies.  
you drop like eyelids.  
the money keep calling.  
I hear da shit dialing.  
and they say money talks you hear my  
shit hollerin  
you softer than nalin. oops i meant  
nylon  
perfection is the goal. and im heading to  
the pylon.  
crown fit me good.

i aint even got ta try on.

my pistol mean business.  
that bitch should have a tie on  
Teety told me do this shit so I had to do  
this shit.  
i get super hero money. call a n-gga  
super rich.  
keep it super far. wide lemme get on  
my super shit.  
super ill. super sick.  
dog. i go super Vick.  
ran into a super women. turned into a  
super bitch hit her with that super dick. she  
be coming super quick  
super Mills. Mack. Tyga.  
Streets. Nelly. Super Nick.  
super Drizzy. Gudda, Chuckie  
Twist thats the super clicc.  
now im off that super shit.  
fuck that shit i super quit  
running circles round da game like  
a hula hoop an'shit.  
your gon have to nuke this shit.  
dere won't be a duplicate.  
and my blunts be super thick.  
I'm higher than a super kick.  
I'm the bomb baby, watch me nuke this shit  
when I leave the booth. they gotta  
scoop this shit.  
my apologiess. diabolically.  
i'm the prodigy.  
do you roger me.  
I look in the flames and see the  
hotter me.  
but how come i'm still colder than commonly  
yeah we run this town,  
like a lot of feet,  
Young Mula Baby,  
Im poud of me  
(proud of me)
