[Lil wayne}

The loser microphone abuser,
Feet hurt i just walked from Jerusalem.
So you should get on the side with the movement,
Im the proof and ill die just to prove it.
Whatchu wanna know anything and whatever,
I cant tell you i can show you better.
Me,me an my gun we took an oath together,
Said i would never die if we both together.
Uhh, this is my testification,
Imma Wayne on they heads like precipitation.
And in hell you,you need justification,
But,but for me it was just a vacation.

Chorus

Somebody tell me whens it gonna end,whens it gonna
end
Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh
Whens it gonna end,whens it gonna end
Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh

[Shanell]

I lost all my money,
I lost half my mind,
Cant find my direction wheres the finish line,
Could I be this far away from it all
Im starting to ball,
If i could stand for it all,then i shouldn't fall

[Lil Wayne]

But if i fall, i fall up
And let the clouds hug me,
And if i fall down i bet ill hit the ground runnin
Bet you search and found nothing,
Looking for the finish line
Stop short cuttin you fucken up your finish time
Shit,but every twice in a while it feels like im runnin
an life is the miles
Yeah, but until the lights are dimming down ill be

runnin round, runnin

[Shanell]

ohhh,ohhhh will you tell me

Chorus

Somebody tell me whens it gonna end,whens it gonna end

Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh

Whens it gonna end,whens it gonna end

Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh

[Shanell]

Counting on my parents but it doesnt let up,

At the mercy of it but it aint enough

Reading all the red lights trying not to give up

I dont know how long its gonna last ohh

[Lil Wayne]

Its almost over now,i said its almost over now

The end is ettin closer now better do what you suppose to do cuz the world is almost over now

Chorus

Somebody tell me whens it gonna end,whens it gonna end

Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh

Whens it gonna end,whens it gonna end

Ohhh Im runnin,runnin,runnin,runnin,runnin,runnin ohh

[Shanell]

Whens it gonna end,whens it gonna end

runnin,runnin ohhh

[Lil Wayne]

Im runnin out of time,im runnin out of space feel like.

Im runnin round but im runnin in place,

We all in the race,im just another sprinter.

If theres no finish line then whos the real winner?...
