I grew up in the hood where the only job niggas had  
Was standing on the corner  
Raised with no fathers, stole from they sisters and they  
brothers  
And they even sold crack to they mamas

Ainâ€™t no nigga gonna ride for me, like my niggas  
gonna ride for me  
I said ainâ€™t no nigga gonna ride for me, like my  
niggas gonna ride for me  
Now if you want beef motherfucker come get it  
If you gassed up then I know itâ€™s unleaded  
If you feelâ€¦donâ€™t sweat it
