((Verse 1))

They know where Carter at  
Straight off the launchin? pad  
Marchin? on the moon  
MuthaFucka I been to Mars and back  
Cleaner than Laundromats  
Jumpin? in somthin? from other countries?  
companies junkie u cannot order that  
I flew there and took the water back  
Oughta go to iraq and getta a car wit gas an? tell dem  
crackas war wit that  
All I need is a auto-matic-tic-BOOM  
I'm a goon, I go zoom, smell the fumes, from the  
vrooms?  
Young toon in the room gimmie room, all u doomed by  
enumses,  
And get all my chips into blooms, I will never be  
another groom  
Unless I assume, the bitch ain't givin? up the womb  
To him in whom M.O.B. let me bloom, let me boom,  
I pop early like firecrackers in the last week of June  
I'm gettin? my lunch like Noon'I gotta eat  
ScarFace wit diamond teeth'Ha-Ha
