

Lil' Wayne "She Knows"

Visit "[She Knows](#)" on MotoLyrics.com

Everywhere I be everywhere i go everything i do
she knows how can I get away from her
she knows she knows
how can I get away from her
Everywhere I be everywhere i go everything i do
she knows I can get away from her
she knows she knows
how I can I get away from her

It's big money talking shawty I can change your life
Put you in a Bentley drink and plenty ice
And you can spin a thousand
And im'a stack the millions
For ??? on the bed money to the ceiling
She staying on my mind
Shawty she gon hold me down
Her cute cute face
Nice ass when I fly round
You know I'm hustiln working flipping these dollars
Steping on honey when we jumping out the shower
Yea I'm on some fly shit me on the floor
With the butterfly door Mc be austrich
Cashmoney master a long big time
Diamond in the middle let my honey ride beside her
You can have whatever you like
Take a pic shawty
Make me pull ya carrer ans be shawty
And she's my down bitch
And I'm a real stunner
Keep me honey hot bottle poppin

Everywhere I be everywhere i go everything i do
she knows how can I get away from her
she knows she knows
how can I get away from her
cause Everywhere I be everywhere i go everything i do
she knows I can get away from her
she knows she knows
how I can I get away from her
She knows

I called you phone just to say meet me in the sky

Don't worry about your luggage babe we gon be fly
Hit the mall bad out you know what you like
Gucci bag ??? that's your shit right
Define this wine on the table and it's everywhere
Pop the bottle poor it up while they stop and stare
Who cares what they thinks got bottle filled with drink
Private tip to my spot ????
Met me at the lot
Lot with only group and drops
Touch spot to lifes fuck with me it's hard to stop
I tell you what thought babe
Just don't yes don't say maybe
The way you got me singning
Damn she is crazy

Everywhere I be everywhere i go everything i do
she knows how can I get away from her
she knows she knows
How can I get away from her
Cause she be Everywhere I be everywhere i go
everything i do
she knows
how can I get away from her
How Can I get away from her)
Cause she be Everywhere I be everywhere i go
everything i do
She knows how can I get away from here
how can I get away
she be Everywhere I be everywhere i go everything i do
Everywhere I be everywhere i go everything i do
Everywhere I be everywhere i go everything i do
She knows
How can I get away
No I
How can I get away
No i
How can I get away
Can I get away
yeahhhh
