

## Lil' Wayne "Shot To The Heart"

Visit "[Shot To The Heart](#)" on MotoLyrics.com

I've Been Lonely  
I've Been Waiting For You  
I'm Pretending  
And Thats All I Can Do  
(Thats All I Can Do Mama)  
The Love I'm Sending Ain't Making It Through To Your  
Heart

I shed tears ?cause I'm told that they'll heal  
To tell the truth I don't know how to feel  
Never feel alone in a room full of friends  
Got big plans but you leave 'em in suspense  
Pray for me, patience wait for me  
Pay dues, trust me they ain't comin  
Way back it was hoops, now it's Maybach coupes  
And we all took a vow, no squares in the loops  
Now we lookin at each other, sittin in a court room I'm  
laughin, cause it's lookin like a cartoon  
Never snitch, got it tattood by kartoo?  
(somebody switch) by my rules we all lose

You've Been Hiding, Never Letting It Show  
Always Trying, To Keep It Under Control  
(I See You Hidin' It Mama)  
You Got It Down, And Your Well On Your Way To The  
Top  
(Keep Doin' Your Thing)  
But There Is Something You Forgot

You Forgot About The House, You Forgot About The  
Ring  
I Remember Everything, I Just Wanna Hear You Sing  
I Remember The Love, Right After The Fights  
You Can't Tell Me You Don't Remember Those Nites  
And If I Would Cry, You Would Cry Twice  
To Me You Are The Brightest Star Under The Sunlight

See Take Away My Title, Take Away My Stripes  
You Give Me Back My Girl And You Give Me Back My  
Life  
Give Me Back My Girl And You Give Me Back My Life  
See This Is Just A Nightmare, So I Blink Twice

Open Up My Eyes Hopin' She Be In My Sight  
I Remember The Time, I Wish I Could Bring It Back  
What She Mean To Me, Is What I Mean To Rap

You've Been Hiding, Never Letting It Show  
Always Trying, To Keep It Under Control  
You Got It Down, And Your Well On Your Way To The  
Top  
But There Is Something You Forgot

Fortune n fame are pleasures you couldn't fathom  
But fortunately for me my fortune built me a palace  
Benjamins by the pallet, I'm spendin ?em mighty daily  
I know I'm under surveillance ( I look at it as a talent)  
Millions a gotta manage, lil talents up in the rappin I'm  
such a threat to these n\*ggaz (you never know what  
could happen)  
I started without a coin, not knowin which way I'm goin  
Now I'm chatering boeings n readin a few poems  
Weathered all of the storms, now its time to see the  
light  
And I never felt this way bout anything in my life  
Determined to be the best, not lookin back at regrets  
How many people you blessed is how you measure  
success

I've Been Lonely  
I've Been Waiting For You  
I'm Pretending, And Thats All I Can Do  
The Love I'm Sending Ain't Making It Through To Your  
Heart
