Hook

I'm in love with a beauty, she is a cutie
Somebody swears they saw us kissin; in the movies
We had a drink or two, we saw Rush Hour 2
Then we went home and we made our own movie

Chorus

Lights Camera Action, ya dig
Lights Camera Action, ya dig
It's showtime, it's showtime
Show me yours, show you mine

Verse 1

Like ooooo, it's goin down in this bitch
Like a boxer in the first round in this bitch
1-800 I would dicky down in this bitch
Uptown in this bitch, don't make a sound in this shhhhh
Now let me whisper in your ear
Every single word your little ear wanna hear
Flip ya body over, have no fear
Can I put my tongue here until you tear
Cry baby (cry baby), suckin on my titty
You know I like them old
I might have yo mamma with me

Honor my poll like a flag on tha end bitch

Verse 2

Oh shawty hold on can I holla atcha
Oh shit, she ain't impressed

See I'm da illest muthaphukka that could spit foreva
God damn that pussy tight than Tiger Woods' sweater
See my sex is greater cuz my dick is bigger
I got that cum that you could drink like a 20 litre
So let me come and teach ya, I know you want it deeper
I put some money on that hood like she was a Visa
She gets my balls in her mouth like a wide receiver
She set it off on my dick, I call her Queen Latifah
She gave ya blow on da go like a bag a reefer
She's a hood diva, so you know it's...

Chorus

Lights Camera Action, ya dig
Lights Camera Action, ya dig

Show me yours, show you mine

Lights Camera Action, ya dig
Lights Camera Action, ya dig
It's showtime, it's showtime
Show me yours, show you mine

Pull off, bust a hundred rounds on this bitch
All my nigga dawgs is dogg pound in this bitch
And if I ever go down like you, betta keep it shhhhhhhh
Cuz girl it gets no better
Looks sitting right hairy like a wool sweater
Seems like ever since I start stackin cheedar
Putty tat chase me everywhere like Sylvester
Droppin jaws faster than my eyes can undress her
Diggin like a pirate try and find the hidden treasure
Hundred pack of rubbers like I'm a tryna break a record
Baby girl say she buy whatever so it's...
