(feat. Shanell)

[Lil Wayne:]

No regrets at all, I'm high and I hope you can catch the fall

Welcome to my lecture hall, you can't shake my infection off

Take me to your leader and, I promise I will be the man
Swim until I see the sand, then die as soon as I reach the land

The water's over our hands, what happened to our plans

Swim until I see the sand, then die as soon as I reach the land!

[Chorus:]

This is my resurrection, so fuck your resolution
I don't need no protection, I don't need your confusion
Don't know what to believe
Don't know what to believe
Don't know what to believe
Don't care what you believe
Cause I'm so over you, yeah I'm so over you
Yeah I fly over you, cause I'm so over you

[Shanell:]

Heeeey

I did everything by the book, book, book

Scribblin' (?) that I took, took, took

Find that your nobody but a crook,

Setting the setup to fall like the twins, you... struck

Show them a picture of my I.D.

Better enough to prove that it's me

Look in the mirror,

Now who should I...

[Chorus]

[Lil Wayne:]

Ha!

Don't know what to believe (huh)

Don't know what to believe (yeah)
Don't know what to believe (huh)
Don't care what you believe (yeah)
Don't know what to believe (huhuh)
Don't know what to believe (yeaaaaah)
Don't know what to believe
(hoooooooooooooooooooooooooah)
Yeaah!
Huh!
