## "Still I Rise"

(feat. Nicki Minaj)

### [Verse 1:]

Yea yea uh huh  
She said FUCK FENDI, but I think she was playin  
I heard she move dem thangs  
I think she fuckin Wayne  
She call herself Lewinsky, dat mean she give him brain  
She tryna be like Lil Kim, her picture looks da same  
Y she ain't signed with G-Unit, she from Queens rite?  
And wats her nationality, she chinese rite?  
I mean she OK, but she ain't ALL DAT  
She ain't da next bitch, tell dat bitch FALL BACK!  
See I'm a hata, I go hard... listen let's begin  
U kno her last name Minaj, she a lesbian  
And she ain't neva comin out, look at currency  
But every time she do a interview you kno I run to see  
She get me so sick it make me vomit  
Dats why I spend my time online leaving comments  
And you kno dat I got some more haters with me  
Might hit up thisis50, MTV, hit up BET  
Tell 'em pretty pretty please don't play Nicki

### [Chorus: x2]

Still I rise  
Still I fight  
Still I mite crack a smile  
Keep my eyes on da prize, see my haters tell 'em HI!  
One day u'll remeber dis  
One day wen we reminese  
Nuthin I do ever is, good enuff 4 da music biz
