Beyonce:

Every night I rest in my bed
hopin maybe i'll get a chance to see you when i close
my eyes
I'm goin out of my head
lost in a fairy tale
you hold my hand
and be my guide
Life is filled with stars from other skies
and i hope it rains
ur the perfect lullaby
(what kind of dream is this)
it could be a sweet dream
or a beautiful nightmare
either way i
dont wanna wake up with you

Nicki Minaj:

Young money rite here
right here throw it up like height here
cold like a light beer
Freddy Cruger im a rap, nightmares
and a bitch, i can buy u
kill bitches everybody wanna buy u
more brain than an IQ
more head than a drunk(why you)

and my bank account aint hardly empty
dats why i com thru and a barbie bentley
so please mama seita
please don't envy
when you come around it needs no entry
who is next to go
my flo so flexible
the gas lookin at me
texaco
shoot yourself in the leg
thats a go
right check with a twisted lip
if i aint right check
then this is it

b-b-b-bored everywhere
you like a little boy
mama you was never there
i am the kung fu panda
hatin on my rhymes
u hatin the prepoganza
sip on a goose
then you slip like a gander
Nicki aint a rapper
Nicki is a panda
please you can never compare to me
all these bitches is scared of me
I am who they couldn't even dare to be
If thats all folks
I go hard core
hospital flo get more floors
ima bad bitch on all fours
the president be like its all yours
Weezy and Nicki bring the A game high stats
go to heaven like Ricky and his eye patch
all up in it like a team in the gym
Kareem in the ring
the queen and the king

Beyonce:

Tatto your name across my heart
and it will remain
not even death can make us part
wat kind of dream is this

(no cielings)

Lil Wayne:

Beyonce:

It could be a sweet dream
or a beautiful nightmare
either way I
dont wanna wake up with you
sweet dream
or a beautiful nightmare

your love is to good to be true
my beauty pleasure
i aint goin nowhere
they be long as a hair
i'll be floatin on air
It could be a sweet dream
or a beautiful nightmare
either way I
dont wanna wake up with you
