Lil Wayne:

Um why your boyfriend acting like Secret Service?  
Cause I'ma get you by yourself and get that super  
service

You know I balls out, purchase without a purpose, I do  
you good then I'm Audi like four circles

Now she should change her name to Mrs. Wayne  
Cause she say every time I'm gone she miss Wayne  
But she has a better man at home, but she say I'm  
better than her man at home

I understand, and I like the way you look when you walk

Cause you switch like the sand and the hook and hope  
you mean err thing you saying in the hook

Cause I'll steal your heart and show your man what I  
took

Cassie:

Switch it up like a old 64 when it sit real high and when  
it get down low,

wanna switch it up like a model on a runway, bout to  
make a good change 2x
