Lil' Wayne

[Laugh]

Uhh, Man fuck them bitches and them hoes  
And them niggas pussies, camel toes  
I got some money on me and the weed nice  
My shit won't ever stop, suck my green light  
Bitch it's Carter 4, murders all she wrote  
Now it's fuck everybody like a Scorpio  
Still running shit, I'm on my cardio  
Boy I'm going in, like my water broke  
Suicide note, suicide doors  
I put in overtime, like a tied score  
Tinted windows bitch that mean mind yours  
And the weed loud, like a lions roar  
Stare into the eyes the eyes of foreva  
Hear no evil see no evil, Helen Keller  
No music on, rock it a capella  
And I don't need a watch, the time is now or never  
Tell my niggas love, I die behind this shit  
A nigga coutin' money, you niggas counterfeit  
Real nigga, nigga, proud of what I am  
Young money is an army, bitch I'm Uncle Sam  
Them hoes call me Tucci, mama call me Tune  
I left the bullshit, in the waiting room  
Straight to the money, no short cuts  
Now watch me go retarded, yellow short bus  
We do drive-bys, we do walk-ups and bitch I be so high,  
I get starstruck  
Millz in this bitch he said fuck them hoes  
And the jewelry bright, like summer clothes  
And I keep some bud like Rudy Huxtable  
I'm bout to slam the beat, nigga, Dusty Rolls  
I'm from eagle street I go Hercules  
I get on the beat, murder 1st degree  
YMCMB, we don't give a fuck  
You faker than some titties, you get tittie fucked  
This the best-worst feeling and nigga if I die I die a  
death worth living  
This that text book G shit I've been in that water but I've  
never been sea sick  
(Yeah)

Knock me I knock ya face off, life's a crazy bitch, Grace  
Jones  
Mind of a genius, with a heart of stone
