She stole my heart
She ran away
Now I'm heartless
So fuck her anyway
We got along
She got away
The price is wrong
But she gotta pay

We used to be the coolest couple back in high school
high school my school ye ye ye ye ye
Now she going out with some nigga name Michael ok
rifle ye ye ye ye ye
We used to be the nastiest couple on the school yard,
back yard your yard ye ye ye ye ye
But now your just a nasty motherfucker baby who are
you are you are ye ye ye ye ye
And everyone know that the tables have turned and
what you gonna do when the tables burn
And now you all up in my face pleading your case and
I'm like...
Okok
kkkkkkkkk
She stole my heart
She ran away
Now I'm heartless
So fuck her anyway
We got along
She got away
The price is wrong
But she gotta pay

So fuck her anyway
We gotta lose
She got a way
The price is wrong

She stole my heart
She ran away
Now I'm heartless
I fuck her anyway
We got along
She got away
The price is wrong
But she gotta pay

She stole my heart
She ran away
Now I'm heartless
I fuck her anyway

Fuck her anyway
I fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
Fuck her anyway
But she gotta pay
