{{choruse lil wayne}}:

im in my zone my form is so rareman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman
how you want it show me my oppinent
how you want it show me my oppinent
how you want it show me my oppinent
show me my oppinent
show me my oppinent

{{verse 1 princess}}:

to me it goes without saying underestimated yes iam
but this time im staying so you heffers need a better
plan
stayed on the sidelin now the coach then put me in the
ball
is in my court bitches mad i got a second chance aint
slowing
down for nothing stop for nobody shit friendly
compitaton yea it is
but im gon win it still M.O.B fell off the map naw bitch
we got a deal
process the beginnin years passed and we grinding
still never take no shit for
granted seen the finer things in life had a taste of
fame im not going down
without a fight if somebody think they better id be cool
leave whats right leave the throne leave the title pass
the crown and pass the mic aint no need to ask me
twice aint gone be no second guess haters look at me
as of know im saying im the best take your best 2007
its my year i speak the truth knocking out other chicks
dont give a fuck about what a nigga do

{{choruse lil wayne}}:

im in my zone my form is so rareman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman

how you want it show me my oppinent

how you want it show me my oppinent
how you want it show me my oppinent
show me my oppinent
show me my oppinent

{{verse 2 princess}}:

from the outside look at me nigga ima call it like i see it
real chick

spitting real shit is what the game is needed they
dissin for fake bitch scared to come to me
aint got no time to sit around and hate i get to the
money peep the game from the sideline
yall aint stand a chance now im back and takin over
reevalute ya plan teaming up with other
bitches aint gone help you understand shit im steady
making grands princess in high demand!

{{choruse lil wayne fade till' end}}:

im in my zone my form is so rareman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman
if theres a throne you looking at the chairman
how you want it show me my oppinent
