"Throw It In The Bag"

Yeah No Ceilings baby,
Hehe,
Ok,

[Chorus]

Y'all know me 'cause all I do is ride around in Bentley
coupe
Got no need, she got me buyin her them Fendi shoes
All we do is shop until we drop
All-all-all-all-all we do is shop until we drop

[Verse 1:]

Swimming in Polo, sleeping in Jordan's,
Bought a cell phone and I don't even much call it
New imports make her fell important
No bull shit, nigga no Ben Gordan
Get her information, take her on vacation
Give her dope dick, now she under the sedation
Wake her in the mornin, breakfast where she slept at
Tell her go shopping, I can't wait till she get back
Louis flip-flops and a pair of pink sweat pants
She wear that on my jet, I fuck her after jet lag
I take her to da vet, cause she a bad bitch
You can't be broke and happy so me I'm mad rich
I'm talkin Young Money shit, she love the way I think
L'Oreal all over my bathroom sink,
Betsy Johnson all over my bedroom counter
My pockets too deep, I fuck around and drown her.

[Chorus]

[Verse 2:]

Ok, fuckin on Versace, napping on satin
I love to hit it backwards, call it pig latin
I bought her ass a Mac, now we be iChattin
nigga swag jackin, but I got my patent
Fre Fresh out the salon, I took her to Milan
I speak a lil french, and hers is no better then mine
I pass her the blunt, she probly hit it one time
Catch us at the game sittin on the baseline

We can call a timeout, take a lil time out
Pockets too deep, shawty you gon have to climb out
Babiana prom dress with your spine out
And I live on the beach, you can get that panty line out
She wants to own me and I ain't tryna to fight it
She said is her dick, she got it copyrighted
And I don't pay for pussy because I'm pussy priceless
I go fishing in it, and I ain't a Pisces
Uh, Gucci only to the grocery store
Stop playin bitch you ballin like Okaford
Ha, And now we headed to the dealer
I'm goin to cop my baby some edward O ceilings. Ahhh

[Chorus]
