### [VERSE 1]

I see ya, I see ya  
Girl I wanna love you long like ether  
I know you want that pita  
Girl I say I know you want that pita  
That banana like Chikita  
I'ma hit it like Derek Jeter  
The neighbors gon' think I beat her  
I'll throw that dick much deeper  
Come be my wide receiver  
I'll give that girl a seizure  
She forget her boyfriend, amnesia  
She wanna ride it, I let her have it  
She betta ride it like Danika Patrick  
I get behind it, and move her  
Like the Heimlich maneuver (OW! )

### [CHORUS]

I don't know about you (chea)  
But I'm really, really fucked up (chea)  
No more liquor in my cup (chea)  
I think it's time for us to, time for us to, time for us to  
fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to, time for us to...

### [VERSE 2]

Bounce that booty like a basketball  
See, I'm a ball-hog; I don't pass at all (ha-ha)  
And now she wanna put her sister on  
Now I got twins like "The Whisper Song"  
And you could call her Mrs. Me Too  
I say I'm on a strict diet, I can only eat you  
Lick it lick it, lick it, lick it; I like to  
Lick it lick it, lick it lick it... (ha-ha)  
I got that Goose in my system  
Somebody gon' be my victim  
I got patrone in my system,

Somebody gon' be my victim (OW! )

[CHORUS]

I don't know about you (chea)  
But I'm really, really fucked up (chea)  
No more liquor in my cup (chea)  
I think it's time for us to, time for us to, time for us to  
fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to, time for us to...

[BRIDGE]

Come free yo' mind, on this dick that I have  
You ain't gotta be my wife, but you need dick in yo' life  
We gon' fuck all night long, I got kush in my bag  
We can blaze one, and when we done  
Go back to your man

I think I'm in love (love)  
Oh, love (Oh love)  
[4x]

SIKE!

[CHORUS]

I don't know about you (chea)  
But I'm really, really fucked up (chea)  
No more liquor in my cup (chea)  
I think it's time for us to, time for us to, time for us to  
fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to fuck (let's go)  
I think it's time for us to, time for us to...
