[Intro - Future & (Lil Wayne)]

I'm lookin' for her

Astronaut

(Tunechi)

I'm lookin' for her

I'm lookin' for her

(Remix)

I'm lookin' for her

Yeah

[Verse 1 - Future]

Is that her in the VIP LOUNGE?

With the Vuitton and Yves Saint Laurent

Used to drive a Nissan now she in a Beamer

I don't want her cause she from the corner

And I heard that Beamer was a loaner

Her old man the owner

And I don't even drink Corona's

What type of drink you want huh?

On champagne forever, on dirty sprite forever

You can come sip with me if you'd like to change  
the weather

If you wanna live better, we can buy a crib wherever

Don't get too thirsty, get used to this cheddar

I wanna tell the world about you just so they can get  
jealous

And if you see her before I do, tell her I wish that

I've met her

Turn on the lights, I'm lookin' for her too

I heard she keep her promises and never turn on you

I heard she ain't gon' cheat and she gon'  
never make no move

I heard she be there anytime you need her, she come  
through

Turn on the lights

[Verse 2 - Lil Wayne]

This dick is for you

I ask her is it true and she say like a horseshoe

She got that nigga name covered, that's a war  
wound

She lay me on my back and ride this dick like vrooom

Then lâ€™!

[Hook - Future]

Turn on the lights, lâ€™™ m lookinâ€™™ for her  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her  
Turn on the lights  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her

[Verse 3 - Lil Wayne]

Tell her I skate  
And shawty down to earth, but bitch I need my space  
And she gone ride this dick, I had a long day  
She say cum anyway you want, I give her Santa Claus  
face  
We gonâ€™™ turn up tonight, that pussy, real new  
But we been fucking way before I went to Rikers Island  
And now she got a man, I think he gayer than a stylist  
I wish we were both single like a couple dollars  
And when we get together she be on that Miley Cyrus  
So we eat each other up like some Somalians  
She know I got a girl, but she keep this shit a thousand  
Whenever we together she donâ€™™ t ever ask about us  
She just be like this pussy is for you  
I say come and eat this bone, and stop eating dog food  
And she got that nigga name covered, thatâ€™™ s a war  
wound  
And she lay me on my back and then she fuck me like  
boom  
Then lâ€™!

[Hook - Future]

Turn on the lights, lâ€™™ m lookinâ€™™ for her  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her  
Turn on the lights  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her  
lâ€™™ m lookinâ€™™ for her, lâ€™™ m lookinâ€™™ for her

[Outro - Lil Wayne]

Tell her I skate, I ainâ€™™ t go no worries  
No Frank Ocean, lâ€™™ m straight  
Tunechi  
Tell â€™em lâ€™™ m straight, Tunechi

[Outro - Future]

Tell her I been lookinâ€™™ for her with a flashlight  
You canâ€™™ t tell her, tell her nothing cause I got my  
cash right  
And tell her if she honest, she promise to stay true  
Make sure when you tell her, tell her we goinâ€™™ past  
the moon

Turn on the lights, Iâ€™m lookinâ€™™ for her
