Look, where I go from here?
Just lost my father last year
But I still remain to keep it real like dollar bills
I drop tears, can't believe my daddy's gone
Rabbit come home, why ya left us all alone?

But I'm comin? man
Just wait at the gates, I'ma be runnin? man
Arms open, eyes wide, full a love
You watched me come up from a scrub
Now ya see ya son ridin? everyday on doves

But I wish, I could share them times wit' you
It got me pissed, this family and my momma too
But please brah, won't ya come back for Lil Wayne
And see tha Ms. Rose, Sheryl, Kemp and plus Senitra
Dawg, we really miss ya

And it ain't all that cool livin? off pictures
Ah man, visit while I'm sleep, write a note or call me
Can't believe you left me to be a small man
But I know it wasn't meant to be
That's why I suck up all the game that you sent to me

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know how you feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know how you feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

Alright I know it, see I got a child
I know I'm young, but when you left dawg, thangs got
wild
I know you probably sayin 'damn, you raisin children
now?
But it's all gravy I'm with Baby makin? millions now

So I still smile

I'm takin? care ya wife brah
Ain't nothin? changed, if I still come home late at night
she fuss
But it's still the ol' same ol', same ol'
Thangs go, up and down like rainbows, we maintain
though

So you know who payin? the bills now, ah hah
Still flossin?, give my audience the chills, ah hah
I got all my game from you, nigga I ain't gon' lie
But I'm still thuggin? nigga, playa you think I ain't gon'
ride?

But Slim and B done slowed me done and brought the
talent out me
Yeah, Slim and B done showed me 'round, all a the
Jags around me
And I ain't goin' no where, that nigga stuck wit' me
And make you and my people happy, man, it's up to me

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know how you feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

I know you know I'm thinkin' 'bout ya, you be on my
mind
I know ya see me everytime, watchin yo' lil boy shine
And I know that ya see I put out my own CD
And picture this, your little boy even on TV
But I swear it's off the heezy, Weezy

Say it's cool, you can believe me, I like how they treat
me
I'm doin' what ya say, don't let a nigga try me
And I don't let a fine, pretty broad get by me
Don't let nothin' pull me off track from my hobby
Oh yeah, and I don't leave my room sloppy

But the same thang make ya laugh, make ya cry
And everybody that ya love it's like they have to die
I pray to the Lord everyday and ask him why
And ask him to bless your soul every time I pass by
I know he doin' it, and leavin? all the love to me
And I'ma prove it, and show ya daddy it's up to me

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know how you feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know how you feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

It's up to you, Wayne, nigga, stay up and keep it real
It's all on you, man, my nigga, I know vyou feel
Just be strong, 'cause everythang gon' be alright
I know it's hard tryna make but it's gon' be alright

I mean it's up to me, man
Just watch over me
And it's gon' be all gravy man
Leavin; big, treatin; me all good
Everythang else be all good
Rest in peace, ya heard me
I'll be there
