I'm forever rollin like I can't stop
Throwin up N's till I get my hands chopped
Tru religion pants filld wit rbbbrnd knots
Wavy will still fly like hancock
Dreads hangin like I cum frm jamrocc
But I'm frm da wicc 2nd st is da damn blocc
Word to my grampops bitch I will blam shot
Sleep ya then leave ya in a freezr lambchops
Uhh, money ova bitches xcept 4 wifey tho
Boy I spit fire jalepeno spicy flow
Listen istrike da streets like lightin yo
Dat choppa cum wit a horoscope no pisces tho
Bitch I'm strapped like max payne
I leave da scene burgundy like a cavs game
