"Let's do it"

"All right, here we go"

"One, two, a-one two three"

[Chorus:]

It's Wayne's World, it's Wayne's World

It's party time, it's excellent

It's Wayne's World, it's Waynes World

It's party time, it's excellent

Chicks go mental when we go down the street

It's Wayne and Garh when they want to meet

Yeah, we're in the basement playin' with our toys

And if you do not like it, you're a sphincter boy

[Chorus]

"Goodnight party on Aurora rocks, Aurora rocks"

"Thank you, good night, god bless you

And don't forget to wear a rubber"

"Aurora rocks, Aurora rocks, goodnight, pary on"
