bitch im on probation,so my nerves bad  
and they say time flies,but mines first class

i landed in the sky and fell from da streets  
i talk alot shit and practice wat i preach

back from hell...cell 23,  
tell da warden kiss my ass.. pockets on monique

bitch im from da murder capital....hoe im far from  
practical,  
shit happens n since im da shit im who it happen too

young money cash money blood gang im red hot  
i dont see nobody see nobody like a headshot

all dat bullshit is for da birds throw sum bread out  
got it sewn up check the thread count
