## "Welcome Back"

YO  
Whats popping  
Hello world  
As I usually say  
Hee haa  
My name is it's not important  
Whats more important is  
What I told you all  
And what I told you all was  
On the carter 1!!  
And everything else I said, im the best rapper alive  
quote or unquote  
Now you all believe me  
Hee haa  
And since so far the dedication has been in your life  
The carter has been in your life  
Gangsta grillz has been in your life  
So the game has existed before us, but it was never the  
same after us  
Hee haa  
Don't you agree  
Well, without furthur ado,  
Im going to shut the fuck up  
And we go again into this church  
Dedication 3 baby  
YE
