What what nigga huh huh
Nigga what what what check
I'm shooting flees
Polluting you and your niggas

Better run from me
Coming through in that strap
With a two twenty three
You be losing your life

When you caught up in beef
What nigga nigga she
Now I ride and ride
With a K on my side

Bet this jai fly and fly
Nigga you won't be for I

I hope you lying but why
In the middle of the night
I be fatigued
Camouflaging by

By by the by by by what
Nigga what taking me for joke
And watch me heard you
Boy they be commercial

I'll beat them til they purple
I'm live any nigga
But I got a big oh chop tools

That'll kill bitter niggas
Did you do it
Thought it was cool
But you still in it nigga

You're so ugly with your boys
But I'm still pretty nigga
Lil' Wayne representing
I cut like blades

I bust breads and break legs
I tear up dreads
Take my our breads
Now cold figure
Why from the seventeen

I bang down from gold nigga
Had me for go beat the go carts
On your block with four triggers
Man ya'll niggas ain't up with this

Ya'll eating one me
You could suck my dick
Now taking a chill but
Realer you could play if you want

Find you something in the back of my trunk
Oh feminine funk

Nigga what huh
Nigga what you gon' do
Nigga huh what what
What you gon' do

I say what huh huh
What you won't do
Nigga huh what what
What you won't do

I be Wayne Wayne Wayne
From C-M-B fifty shots
Slang flang flang
From artillery

But look they sting sting sting
Burn like rubber on streets
Urrh if you can't hang
Find your way from around me

Litle soldier all for A-N-E
Appley ego my niggas
So ain't no playing me
Yeah I may be

A little small and all that
But I'm about war tone a get
Flipping a car and all that
Freeze me and my shit

Please hit your hood like fleas
Solider rag black boys

Why you teasing Rees
Please tell me that you was full of weed

Then things won't be

I don't think none of ya'll families
Gon' see ya'll bleed
I know what the hell it be

Niggas start his nothing of speed
I be ten D and two twenty threes try trees
Rabbit told me not to be weed
And let a nigga play me

So he who take the biggest bite of all of his teeth
Hook up with Ju turp and B.G.
Open niggas like key
Gee I bet that some gees boy

Where the H be
Us thieves seem beaters
Make a scene off a keys
All ya'll please need to cease

Raah cheese
Nigga what huh
What you won't do
Nigga what nigga what

Huh what you won't do
I say what huh what
What you won't do
Nigga what huh

What you won't do
Look dog you could be stupid
Why they all be J ball
All you try to call

The block and get 'em all
Whole nation gon' fall
Lil' Wayne spent the cut
Put your guns up nigga what

I clutch your butt
Nigga go and hide
When I ride
I blow the forty five

And explode on your side
And niggas like a Mario

Tools for me
Now it's been a nigga use to me

On the three five diaomond dust
Just waiting niggas could take me
Entice a caden
Nigga if you won't walk with me

It's gon' be about your issue
Put this set with my nigga
Thanks to pitcher
Look at nigga dressed in black

With a big old cut
Fred your house pow
I love my nigga what
Nigga what huh

What what you won't do
Nigga what huh what
What what you gon' do
What you won't do

Yeah I say huh
What nigga what you won't do
Have me in all black
Busting back at your crew

I say what huh
What what you won't do
I say huh what
Nigga what you won't do

Nigga what huh
Nigga what you won't do
Have me in all black
Busting at your crew

What what what
Huh huh huh
Nigga nigga nigga what
Ya'll want nigga

What ya'll niggas want
Do nigga what
Huh huh
