My tongue is a Uzi  
My dick is a AK  
My tongue is a Uzi  
My dick is a AK  
My tongue go brrrr  
My dick go pah  
My tongue go brrrr  
My dick go pah

Bitch, lay on the bed, open that twat  
I French kiss that pussy, like muah  
Sit on my face, M U A H  
Before I eat that pussy I say my Grace  
Girl, Im nastier than him  
I dont know why you still with him  
Beat that pussy, go to sleep, she got that Tylenol PM  
Fuck that bitch until she tired, till she tired like a rim  
Give her head like a brim, it tastes good, m m m  
Pussy monster in her closet full of surprises  
I get full body massages, I hope that pussy smell like a violet  
I hope that pussy warmer than Luke and sweet as Godiva  
Suck this dick and swallow that nut and call it Peniscollada  
I fuck that miniskirt, thats my dinner, desert  
She fell in love with the Martian, I said youre too down to earth  
Man, these hoes love Wayne  
Got a bunch of dimes, thats chump change  
This shit is target practicing and your bitch is my gun range

My tongue is a Uzi  
My dick is a AK  
My tongue is a Uzi  
My dick is a AK  
My tongue go brrrr  
My dick go pah  
My tongue go brrrr  
My dick go pah

My tongue is a Uzi, my dick is a AK  
Im down here waiting for her to come like payday  
Im hoping its juicy and sweeter than baked cake  
She say its she lie with a straight face  
But Im trying to eat healthier so I ate a veggie  
Sucked on that pussy, I feel better already  
She said tongue should go slower and torture her  
faster  
My tongue is a motor, my dick is a Nascar  
Whipped cream on that pussy, big head like a bullet  
If her hair real Imma pull it  
I hope her ass feel like a cushion  
I give her wood when heat running  
I hope that pussy tastes like pudding  
And I get her hold the boot, hold up, let me put my foot  
in  
She got a sweet tooth  
Candy yam pussy, Imma lead that ass  
Smoking like an Amsterdam tourist  
Man, these hoes love Wayne  
Got a bunch of dimes, thats chump change  
This shit is target practicing and your bitch is my gun  
range

My tongue is a Uzi  
My dick is a AK  
My tongue is a Uzi  
My dick is a AK  
My tongue go brrrr  
My dick go pah  
My tongue go brrrr  
My dick go pah

Lay on that bed, open your mouth  
This pussy so clean, like soap in your mouth  
I do my little dance, he scoping me out  
If that tick like a tree, watch me build a tree house  
Ok, the baddest bitch in this bitch  
Yeah, the fattest click in this bitch  
You might drown, you better start doggie paddling in  
this bitch  
Im Trina nigga, queen nigga  
Sleep in this pussy dream, nigga  
I stay on that dick like a fucking balance beam, nigga  
Hair pulled, neck grabbed, dont fuck with hoes that  
back stab  
Dont fuck with niggas that aint got shit  
If I fucked a nigga, then thats my dick  
My mouth a Jacuzzi, my pussy a safe place  
Fuck me till day break, then you can go skate

Trina
