[Verse 1: T.I.]

I'm ridin' through the city blowin' purple on a saturday  
See the APTP when you got to put the gat away  
See them nigga comin' let it blow like Donald Hathaway

In the SLR's all the doors open that way  
Supermodel, movie star, the stripper, brawds after me  
N-gga try to battle me but all they do is rattle me  
I ask them man what happenin' i'm laughin while they  
chattering  
I'm bustin' they be scattering you know you lookin' at a  
king  
Superclean in a new drop stuntin'  
N-gga talk sh-t but it ain't bout nothin'  
You'll get your ass kicked if your mouth keep runnin'  
Keep talk slick bout the sound we comin'  
Say what u want but this is how we run it  
N-ggas still tryna ball out we done it  
My wrist so bright and my neck so shiny  
When I tell her lets go she dont back up from me

[Chorus: T.I.]

All the whips on 4's  
And my wrist so froze  
Aint no problem with these hoes

[Verse 2: Lil Wayne]

Yeah, i'm me like a motherf-cker  
Flyer than a vampire lookin' for a blood sucker  
I keep these hoes on E like a four runner  
Man I could throw a 100 g's till my stone runner  
Get a couple of philly's and some waters for these hoes  
stomach  
I keep 'em rollin like no brakes up in that four runner  
I don't stop i'm on the clock like the smallest hands

They look for me I move the bass up out that marching  
band  
That ain't a coffee can, n-gga that 400 grands  
I keep the block jumpin', just call me bunny man  
T make a blunt look like a arm without a f-ckin' hand  
T break a pound straight down like a bucket man  
You could get it harder or get it lighter than a summer  
tan  
The section leader over the stove like a drummer man  
B-R-R-At-At-Tat, whip it up just like that  
But if a n-gga f-ck with me wrong then its B-R-R-At-At-  
At-Tat

[Chorus: Lil Wayne]

I like my whip so old  
And my top better fold  
And I party with these hoes  
They don't never say no  
All I say is  
YEAH  
I keep 'em sayin'  
YEAH  
You know they sayin'  
YEAH  
Ya digg  
You know my click so bold  
All of 'em don't slow

So f-ck them and f-ck you too now go tell that to bono  
They hoes know she loves when I shoot my two  
22's on the coupe I cruise  
Sucka n-ggas tryna my mood  
They do what they can I do what I choose  
I get these hoes the blues

If they can't feel the monster  
How can they see the King

[Chorus: T.I.]

All the whips on 4's
