[Lil Wayne:]

Well alright  
I can't feel my face  
I'm goin first

And my grill is I'll  
Ice bright white like jalil  
Did I do dat? throwin up signs  
Like I'm little frat inge street patch  
See me when u wanna~ find me I'm da owner  
Yellow diamonds lookin like a fridge full of corona's;  
Own ya's u see through like cubic seconya's  
And me I keep it funky like pubic aroma  
Hit em' wit da glock  
Put em' in a colma  
Now wat dat boy got? um, glicoma {haha}  
My weed is stronger, I smell great  
I'm like promethsine I'm in da smell race  
And my watch reminds me of 88  
Dats because I got crack rocks in da watch face  
Bitches stick 2 me like scotch tape  
Plenty colors in da chain nigga xxxx bape  
Yea, xxxxx I'm cold like up-state  
So icy like a mutha xxxxxx cupcake  
Ya, these hoes feel my functuay  
And wanna eat me alive I'm like an entre'

[Chorus: Lil Wayne]

Everytime I do it, I do my thang, do my thang, my  
mutha xxxxxx thang and everytime I do it, I do my  
thing, does my mutha xxxxxx thing ya diggz  
[x2]

[Juelz Santana:]

Santana bandana on tilt  
Back seat wit da heat, I'm warmer than a quilt  
They lookin at me like they drink spoiled milk  
Money tall jack and jill like dey sittin on a hill  
Ice on da neck of me; ice on da wrist of me  
Ice in both hands xxxxx I'm lit like a christmas tree  
Different color stones u can call it a mystery  
Big dookie roke u woulda thought they was linchin me

Chain on top of chain man I look like mr. t  
I bitty da fool da day he try 2 get wit me  
Fresh prince, got banks like hilary  
And I hit ducks wit da hickory dickory  
Make da gurls run fast like benny hill  
Rims go round and round u can call dem my farris  
wheel  
Pockets full of bank rolls money lon as train smoke  
Money come faster than da nigga xxxxxx j-lo  
I don't play games I shoot it up like halo  
Got more paper than ya jobs got payroll  
Still I'm ghetto like no frils, I clean da dirt out my nails  
with 100 dolla bills cuz

[Chorus x2]  
Ya diggz'!
