Stop, look and listen  
Stop, look and listen  
Stop, look and listen  
Before you leap

(Better stop) and think it over  
(Look) into my eyes  
(Listen) to what I'm gonna say

(Hey, baby) you'll never find  
(A love) as good as mine  
(Love) if desire's what you?

I know you've grown familiar  
To her touch but she's  
Still a stranger

Don't give up  
The sweetness we shared  
Baby (baby, baby)  
You're heading for danger  
(Danger, danger)  
Whoo, baby (baby, baby)  
You're heading for danger  
(Danger, danger)

So before you leap  
Before you leap

You better stop, look and listen  
(Stop, look and listen)  
Stop, look and listen  
(Stop, look and listen, baby)  
Stop, look and listen  
Before you leap

You better look before you leap  
The water looks shallow  
But it's, it's really deep  
Don't get out, out over your head

Baby (baby, baby)

You're heading for danger  
(Danger, danger)  
Whoo, baby (baby, baby)  
You're heading for danger  
(Danger, danger)

So before you leap  
Before you leap

(You better stop) and think it over  
(Look) into my eyes  
(Listen) to what I'm gonna say

(Hey, baby) you'll never find  
(A love) as good as mine  
(Love) if desire's what you?
