Walk up on the set
Stepping on a swag, clothes got a dro odor so you kno I
blow bags
Fresher than a muthafucka pockets got stacks
Hoes lookin over here cuz they like Steve's Jag
Chirper goin off like I got a dispatch
And they lookin for that work and I aint about to holla
back[{nope}]
Post up on the whip and start lookin for somethin bad
Nice thighs, cute face, and gotta have a phat ass
Bust that p**sy open then I tell her bring it back
I'm a beast up in these sheets, it's like somethin ya
never had
Caught you in the club doin that sexy ass dance
Dropped it down to the floor and bought it back up in a
stance[got damn]
I like the way she workin it
Ass sit right and it's like magic when she twirkin it
Baby don't ya jerk me
I know this is for certain
Cuz she gauranteed she let me beat then I'll murk it

[{chorus}](2x)

My dougie(7x)
She say she like
My dougie, I'm fresh(3x)
YEP!! fly then a mu*fucka

Officer I'm clean
Why ya dogg keep on sniffen me
Ridin down the lane, stoped at Spain's and bought a 3
piece
I'm chillen with my bitch
I order here some fish
Fresh girbaud tee and the jays to match my fit
Clique tighter than a fist pretty browns always flock
My team wrapped in charmin, we the shit up out the
trap
We out our minds mayne
Smooth wit it gangsta
Shoulda put us in a cage, cause we all off the chain

I'm a fool with it
Catch me saggin my bows
While I'm smellin like some???, qaurter ounce of that
though
See I'm the nigga she chose
Say she wanna leave with me
Middle of the flo, with a drank, peepin the scenery
Fresh with a pistol, butt her as with a triple beam

Blowin on some corn that clear my chest like
antihistamine
Ride through the d, by my side where the pistol be
One in a chain but they can't even try to get at me
When it thump at you, it hit harder than a nitty beat
Tell the hoes to show me something, they start doin
that dougie
Bout 5 of em fine and 2 of em ugly
1 kinda pudgy
She can still get my lovin
Say she from kentucky, hollin bout some distant lover
shit
The whole time I'm thinkin bend over let me use this
rubber bitch
My game on point so she had to fuckin love it
I thank I thank she like my dougie

[{chorus}](2x)

My dougie(7x)
She say she like
My dougie, I'm fresh(3x)
YEP!! fly then a mu*fucka

Just gotta fade
Dressed to impress
Bone got a shoe fetish, so you kno I stay phresh
I aint worried bout that mess
A couple grand up on my chest
Plus drew then bought a tick
And I stay phresher than some sex
Don't want my shoes to get no???
Don't want no bitch to touch my neck
I'll tear this club up, if I feel some disrespect
I just wanna find a chick
Cuzz lil will then popped an ecx
And I don't wanna work hard cuz I'm feignin for some
sex
Do my dougie fresh and watch them hoes get to
choosin
Middle of the club
Jammin hard to my music

Bet ya can't do me like a triple x movie
Pull my dick up out ya p**sy let it slap ya on ya booty
Goin hard in that jacuzzi
On my gaurder like a???
Start ot persuin????????????
Don't know wat I'm doin
Better check me out fully

Mix that dougie fresh with that nawf side boogie

My dougie
