Oh if that's the way it is,
I don't wanna get into it
If that is what it is
I don't want nothing to do with this see,
I've been through this before
I promise I won't ever go
Done that road again you got me lyk, fuck love, fuck love.
You got me lyk, fuck love, fuck love.
You got me lyk, fuck love, fuck love.
You got me lyk, fuck love that's fucked up. fuck it...
I done been through some thang's delt with heart breaks.
Shit don't never ever change I gave you all my love,
And just all that I can give
You told me that you love me but bitch I beg to differ cause
If you really loved me then I would just know instead
I got a whole where my heart is supposed to go
My blood is running cold and it's all because of you
You wonder why I do and say the thing's that I do I'm constantly
Misled and I'm constantly mistreated so why in the hell
Would I even hesitate when I was leaving.
Oh that's why when I see a couple in love it make's me sick to my stomach
And make's me wanna throw up.
Oh if that the way it is I don't wanna get into it if that is what it is
I don't want nothing to do with this see I've been through this before I promise I won't ever go done that road again
You got me lyk fuck love, fuck love.
You got me lyk, fuck love, fuck love.
You got me lyk, fuck love, fuck love.
You got me lyk, fuck love that's fucked up fuck it...
You know what they be asking me right?
Like why you be like fuck love?
You remember that one time I was with that guy right he had everything he needed everything...
And what did I have?

That's why I be like...

FUCK LOVE!
