[Intro:]

It's Lil Bow Wow talking man you know what I'm sayin  
Man bow wow you know you ain't nothing without the  
ghost riders man for real  
I been in the club long before you been going in the  
club you know what I'm saying  
I was walking in the club with JD at 10 years old you  
know what I'm saying  
Sitting on couches, man I been doing this what you  
talkin bout  
You a new jack

[Verse 1:]

Hold up jow wow, bow wow, Mr. 21  
Did 5 movies and none of em amount to my 1  
Like Mike did it right, Lil Bow's pay day  
And by the way, homie you ain't nothing without JD  
And all the fans with me  
They say that I was better  
And you far from a flirt how you messing with Ciara  
Then you cut your hair off, that's when you fell off  
Man say your album go to platinum that's when you  
cooled off  
Disrespectin the Bow Wow legacy  
You got the nerve on this song to say you better than  
me  
Man I rep Columbus, you rep the A Town  
I got more street cred, I ran with the Dog Pound

[Chorus:]

Anything you can do, I can do better  
Man we go out with the old  
Homie you can't deny  
I'm saying  
Anything you can do, I can do better  
Ain't talkin bout nothing, the whole world agree  
You can't do it like me [x6]  
You can try all day but you can't do it like me

[Verse 2:]

It's time to put the kids to bed

The ending of an era  
The playtime is over  
I'm older but I'm better  
I'm bigger and better  
More swagger, you mad cause  
You met Ciara first homie but you couldn't bag her  
You said you were a dog, but see you was just a puppy  
You say you getting paid but you can't spend none your  
money  
Ha, that's funny, I'm in the back of that 'bach  
And you know I got nobody writin my raps  
So fall back little kid, you ain't Fresh Azimiz  
I'm in my bachelor pad, you up in your mamas crib  
Matter of fact, how you pop up after all of these years  
I know Jermaine ain't here so here man, he put you up  
to this?

[Chorus]

[Verse 3:]

Now first you rappin like TIP then you rappin like Wayne  
Get your own little style, homie, stay in your lane  
You see me switchin 4 lanes, paint drippin like rain  
I ain't tipping, I ain't wayne, don't trip you know the  
name  
Still So So Def, Mickey Mouse around my neck  
Crying out on television how you don't get no respect  
I rock a Dog Paw Chain repping L B W Gang  
I ain't never shed a tear, I got no fear I feel no pain  
Need to hop up on your cash quick rats to the action  
First time out I went 3 times platinum  
I'm talking 1 million, 2 million, 3 million, 4  
That's 4 years on the runway on a major cd tour  
Mr. 106 and Park, yep my money keep stacking  
Ain't nobody know who you is if that had never  
happened  
I'm the B O W W O W, see what it is nevermind what it  
was  
Roll up in the game, sold up and it's all grown up, lil  
bow we won

[Chorus]
