(feat. Yung Joc)

[Hook: x4]

She turned it out (yeah)  
She she turned it out (uh huh)  
She turned it out (okay)  
She she turned it out (now)

[Chorus: x4]

Where the big girls at  
Where the big girls (uh where you at shawty)  
Where the big girls at  
Where the big girls (uh where you at shawty)  
Where the big girls at  
Where the big girls (uh where you at shawty)  
Where the big girls at  
Where the big girls (what she doin)

[Hook: x4]

She turned it out (what she doin}  
She she turned it out (what she doin)  
She turned it out (what she doin)  
She she turned it out (what she doin

[Verse 1: Bow Wow]

Brown skin thing shawty thick like monique  
I'll break her ass off look good in a two piece  
Say to hell what ya'll think long black hair  
One thing bout a big girl you could put it anywhere  
Shawty is a ten she eye candy  
Winter times when my big girl come in handy  
Dress to impress and she so fly  
All my ladys say (owh) looking good tonight  
Got her own car pay her own bills  
Fresh manicure and she dress to kill  
That's what I like sexes me right  
Call me energizer bow we can go all night  
I know what I like I know what I want a fine big girl with a  
big go donk (I like it-get it shawty)  
You don't know what you missing bow wow the ladies  
man question listen (what's up)

[Chorus: x4]

Where the big girls at  
Where the big girls (where you at shawty)  
Where the big girls at  
Where the big girls (I wanna know)  
Where the big girls at  
Where the big girls (where you at shawty)  
Where the big girls at  
Where the big girls (I wanna know)

[Hook: x4]

She turned it out (and what she doin)  
She she turned it out (I wanna know)  
She turned it out (what she doin)  
She she turned it out

[Verse 2: Yung Joc]

I don't want an itty bitty check nope sayonara  
Give me a thick chick like the girl takara  
When she orders it's an iontrey just for starters  
Let her ride shotgun in the black impala  
And she got a real stink walk with a nice set of jeans  
That ain't a lil girl that's a well built machine  
Since we talking bout it should might as well come  
clean  
I wanna chick with a nice set of hips on my team  
Got kushing for the pushing yea I like it  
That booty so gushy yea I'll bite it  
Patit chicks think they pretty but it's that I like it  
She jumps on the boy and motorbike it  
Tit-o-bitties in my face I call them mongo's  
I beat I beat I beat like a congo  
Baby they gotta be big because the boy hongo  
I want all the big girls on the dance floor pronto...

[Chorus: x4]

[Hook: x4]

[Verse 3: Bow Wow]

Damn she so fine you might have a big girl but she ain't  
like mine  
Cause see mine is the best we have great sex next  
door neighbors can't get no rest  
So ah ooh wee (woo woo) ring the alarm big girls to the  
dance floor when this come on  
You damn right baby this yo song nah sweat yo weave  
we can get dat done (I'll pay for it)  
Now go and turn me out do ya thing mama go an work  
it out (hey) you hear they call me bow I make em

scream wow if you don't need no nigga let me hear you  
scream (owh)  
I like em B-I-G tats everywhere gut lawd hellmeracy  
I got one I don't need you girl like a earthquake baby I'll  
rock yourl world I wanna know

[Chorus: x4]

[Hook: x4]

All my fellas right now I want ya'll to go to the dance  
floor and find a big girl and do this get grindy grindy  
grindy [x7]  
Big girls turn around got ya hair done sweat it out [x5]  
You got paid then put yo hands up [x2]  
You looking good smelling good put ya hands up [x2]

Where the big girls at (NEW ORLEANS)  
Where the big girls (L.A.)  
[x4]

Where they at where they at  
Let's get it  
Let's works let's works  
Big girl do yo thing let's work  
Drop it drop it like it's hot

To hell with a skinny girl I need me a big girl...
