Hair nappy but I'm happy pocket full of dough  
From the C-O representin' So So  
The girls recognize and these {niggas} do too  
I'm the flyest thing walkin' through junior high school  
So make room next to your little backstreet poster  
'Cause Bow Wow's here and it's over! YA HEARD!  
I'm this, I'm that, I'm all of the above  
In a big body shotgun ridin on dub's  
I've been seen with the baddest, heard with the best  
And I got it locked down from the East to the West  
Look at my eyes, ya know; I ain't playin'  
That's why all through the streets  
All I hear {niggas} sayin' is

*[Chorus 2X:]*

*[Lil' Bow Wow]*

Bow wow wow yippie yo yippie yay  
Where my dogs at? Bark with me now  
Bow wow wow yippie yo yippie yay  
And all my girls around the way that love how it's going  
down say

Bow wow wow yippie yo yippie yay  
Where my dogs at? Bark with me now  
Bow wow wow yippie yo yippie yay  
And all the girls around the way that love how it's going  
down

*[Lil' Bow Wow]*

Now that the gates wide open  
It is I who they runnin' from  
Little with the ill, cross over like  
Iverson in 2k my way and I'm the first to rock  
First to drop ice in the bezel of a G-Shock  
Like B.I.G. and Pac, I'm hard to forget  
What makes it even worse, I'm just getting started  
Yeah that's me; that's got your daughter in a frenzy  
Yeah that's me; that's got her arguing with her friends  
about  
Who? Gone, gimme when they see me  
Sayin', "Do you?" See him, "Ooh he the man!"

Thirteen, game lock, don't trick  
All that and a bag of chips; Hi! My name is,

*[Chorus 2X]*

Beware of tha dog screamin', in tha front now  
It's-a, must-I, put my stunt down  
Who you know my age that spit like me  
Step on any stage anywhere and rip like me  
Hit the studio with J and make a hit like me  
See I am what others cats just might be, dislike me  
Only those that's scared of what's trill  
I'ma Steven Seagal type {nigga}, I'm "Hard To Kill"  
Cash, flashin', girls, that's what I'ma bout  
Those that don't believe get stomped out  
The game is in a twist now, I'm to blame  
But those that don't know, ladies what's my name

*[Chorus 4X]*
