They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

When's the last time ya seen an emcee so clean?
I do my thing, they don't even think I'm sixteen
I got a couple of cribs, push a couple of cars
I pull a Maserati out the garage

That's how I ride I'm worldwide, international
You say you better whatever, don't be irrational
Seein' me passin' you, I'm goin', you're lost
Hit you with the light and I'ma dust your Porsche

'Cuz I'm a dope emcee and I'm bound by law
From L.A. all the way to New York
To you emcees who jock my style
You better freeze, 'fore I get hostile

You wannabes, but you're not like Bow
As you can see, I'm much realer
Was born to get on and perform get skrilla
The freshest of the fresh, the best, you know it

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

Everywhere I go, sold out shows
So many chicks all over the globe

I got a G4 plane, I fly it a lot
Girls be on board all over my jock

I kicks lots a game, jewels galore
From the scene Shago Velour
Some girl in Spain by the name of Deja
Chill with me and Ling when I'm down in Asia

Ain't nobody my same age
Flow like I flow when I gets on stage
Number one hits, you know my style
Ya'll know how I get down

I rock funky fresh gear that's what I'm about
The Jordans brand new but mine's ain't out
I got a Range, doo rag, and new white T
What I need with an eighty when I rock minks

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
They call me Bow Wow the Don, the Dutch, the Dutch
Get out my face homie, don't get smacked up

Baby, you're so cool
Ah, you're so cool
Baby, you're so cool
Ah, you're so cool

They call me Bow Wow the Don, the Dutch
Ask your girl man, she know wassup
